

Welcome

On behalf of the members of the Virginia Tech Cotillion Club Alumni Association I welcome you to our website. We were created through the dedication and hard work of Bill McAllister '65, Sandy Seay '66 and others who felt the Cotillion Club was such a special organization with great members that we needed a manner in which to re-establish the friendships and the comradeship we enjoyed while at VPI.

Each year we have a spring week-end at an interesting location (Annapolis for spring '09) and a fall event during football season in Blacksburg. I personally would hope to see all Cotillion Club members join us. We have a wonderful time and it is great to rekindle old friendships. Spouses also seem to really enjoy themselves.

Please review this website which has some good information and history that Bob Manning '66, our secretary, has spent long hours establishing. We plan to keep it updated with our recent events.

We would really like to hear from you and better yet we would especially hope all Cotillion Club members would join us in our alumni activities. Our sole purpose is to have a means to re-establish and maintain the great friendships and ties we had for this wonderful VPI organization.

Thank you and we hope to hear from you. Please contact Bob Manning at rmanning@aol.com.

Go Hokies,
